FOREIGN BROADCAST INFORMATION SERVICE

Of Special Interest This Week

25X1 + SPECIAL REPORT FOR STATE. In response to a National Security Council request for an analysis of the Gorbachev leadership's Asian policy statements, FBIS Analysis Group prepared a detailed report entitled "The Soviet Union's East Asian Policy: Gorbachev's Agenda," which drew heavily on the General Secretary's 1986 speech in Vladivostok, his 1987 interview with the Indonesia paper MERDEKA, and this September's speech in Krasnoyarsk. [REDACTED]

25X1 The report was disseminated by the Wire Service on 26 October and, thanks to special printing arrangements with P&PS, a hard copy version was delivered to Assistant Secretary of State Sigur, Deputy Assistant Secretary Roy, and NSC senior Asian official Kelly on the 28th, in time for their departure the following day for consultations with the Soviets.
